PRE-SHOW TIPS

These tips can help you be fully prepared on show site. Should you have any questions, please contact your Viper Show Coordinator listed on the Quick Reference Page.

- **Submit orders early to receive the discounted rate** – This can be done by completing the necessary forms found in this kit or online at <https://order.vipertradeshow.com>. Standard pricing will apply to all orders received after the published deadline and at show site.
- **Preparing freight shipments** – We strongly urge you to send your show freight to the advance warehouse. Some cost-saving tips are to have all your freight delivered in a single shipment on an LTL freight carrier & arrange for the freight to be received on or before the Late to Warehouse Deadline to avoid late charges.
- **Review Quick Reference Page** – It is helpful to be familiar with the important dates outlined along with the show schedule. Be sure your travel plans accommodate for a smooth setup and move out; the return of the empty freight can take at least an hour after the close of the show.
- **Shipment tracking** – It is recommended you track your shipment prior to the show to confirm it has been delivered. You can send the tracking information to your Viper Show Coordinator as soon as your freight is shipped.

SHOW SITE TIPS

- **Viper Service Desk** – The service desk will be located on the show floor for any questions or show site orders.
- **Booth orders & freight delivery** – A booth and freight check will be completed prior to setup and everything that was pre-ordered and/or sent to the Advance Warehouse will be in your booth. A Viper representative will be at the Viper Service Desk if you see any discrepancy. Credits are not provided to claims made post show.
- **Empty Storage** – Material Handling (drayage) service includes the storage of empty containers for the duration of the show. “Empty” stickers will be available at the Viper Service Desk. One sticker is to be placed on each of your empty crates/skids/boxes/ or items you want Viper to store. All items will be returned at the close of the show but can take at least an hour to all be returned.
- **Labor orders** – All exhibitor supervised labor orders will need to check in at the Viper Service Desk once ready for the labor.

MOVE OUT INFORMATION

This information will also be distributed before the start of the last day of show hours; however, we highly recommend reading these instructions carefully in order to know what to expect and plan in advance. Please share this information with your show site staff in advance of the show, along with any arrangements for shipping you may make.

Exhibit Hall Officially Closes:	4:00 PM on Thursday, November 16
Stored empty crates and containers returned:	Within 1 hours of show close
Labor Force: all exhibitors should have started dismantle by now: Exhibitors should have checked in at the Viper Service Desk for dismantle labor hired.	8:00 AM on Friday, November 17
Freight Force - deadline for carriers to check in:	10:00 AM on Friday, November 17

All outbound shipments loading onto a contracted carrier or personally owned vehicle require a Viper Tradeshow Services Bill of Lading (BOL). Please follow these instructions.

1. Complete the Viper Transportation or the Pre-Printed Bill of Lading prior to the show and email to Ldavis@vipertradeshow.com and the outbound paperwork will be delivered to the booth. Or pick up a Bill of Lading at the Viper Service Desk and completely fill out the gray shaded areas, making sure to write in your carrier name.
2. Schedule your carrier to pick up prior to the 10 AM freight force time. We suggest telling them **1 HOUR BEFORE FREIGHT FORCE**, giving them room to fail without failing you! Here's the address for your convenience:

Century II Convention Center – Expo Hall, 225 W Douglas, Wichita KS 67202

3. For liability reasons, and ensuring exhibitor's freight is loaded properly, all carriers **MUST check in at the Viper Service Desk and be able to request your shipment by booth and company name.** Please be sure to instruct your carrier to do so.
4. **Do not leave any UPS or FedEx shipments in your booth assuming it will be picked up!** We need a Bill of Lading submitted for all items/freight left in your booth and material handling (drayage) must be paid in full.
5. Once you have packed up all of your materials, please hand in your BOL to the Viper Service Desk. (Do not leave it in your booth.) We will sign it and give you a copy, keep a copy and give the driver a copy. Please note, material handling must be paid in full.

***In the event you fail to turn in your BOL or your carrier does not check in by the 10:00 AM deadline,** your freight will be re-consigned to the house carrier, Viper Tradeshow Transportation. No liability will be assumed by Viper as a result of such rerouting or handling and exhibitor will be charged standard shipping rates of \$2.75/pound for shipments 1000 lbs. or more, \$3.25/pound for shipments 999 lbs. or less; with a **\$725.00 minimum**. Charges will be applied to the credit card on file. Any freight left on the floor without proper paperwork or return labels will be deemed as trash and will be discarded. *AV equipment and computers hold very specific packaging instructions in order to be covered by insurance. Viper Tradeshow Services is not liable and does not cover any AV equipment or other alike equipment. The Exhibitor holds all responsibility for such and should carry coverage for their own AV and computer equipment.

Viper Transportation is the Official Carrier for this show. If you would like Viper to be your carrier, simply complete and send us the shipping order form. Your BOL and labels will be delivered to your booth before the last days' exhibit hours.

If you decide to choose Viper as your carrier at show site, turn in the Viper Shipping Order Form provided to the Viper Service Desk. Once you are packed, sign the BOL and turn it in to the Service Desk, you will get a copy, we will keep a copy, and the driver will receive a copy. No worries about late carriers and writing numerous labels. Pack, turn in your BOL, and go!

PLEASE CONTACT YOUR SHOW COORDINATOR WITH ANY QUESTIONS OR COME TO THE VIPER SERVICE DESK ON SITE.

Each exhibitor is responsible for turning in a Bill of Lading to the Exhibitor Service desk after dismantling and completion of packing and labeling all boxes, crates, etc. The Bill of Lading is the official "permission" of the exhibitor allowing removal of freight from the booth to the carrier of choice (personal vehicle, truck, van line, airfreight, etc.) *Any unconsigned shipment left in the exhibit hall after dismantling hours will be shipped via the Official Show Carrier, Viper Transportation, at the expense of the exhibitor! VTS MATERIAL HANDLING TERMS & CONDITIONS

Advance shipments will be accepted at the Viper Tradeshow Services warehouse and allowed up to 28 days free storage if delivered by the advance deadline receiving date listed below, and includes delivering freight direct to the exhibitor's booth storage of empties during the show, delivery of empties at the end of the show to an exhibitor's booth, and turning in Bill of Lading to the service desk and loading of materials onto outbound transportation carrier. Show Site shipments receive the same services except for warehouse storage.

Special Handling 30% Surcharge

Special Handling rates shall be applied to the total standard charges, but are not limited to the following types of shipments. Multiple scenarios may incur multiple special handling charges.

Moving Van Shipments	Shipments delivered by a moving van or shipments by any vehicle which, because of the height, cannot be unloaded at the docks.
Loose Freight	Shipments packed in such a manner as to require special handling (i.e., loose display parts, loose carpet rolls unskidded, uncrated equipment, stacked freight, etc.) regardless of the kind of carrier or vehicle used, including small package shipments.
Mixed/Undetermined Description	Description of the shipment is such that the type of materials or equipment cannot be determined (i.e., 1 lot 20 assorted pieces, etc.) Including any mixed lot/multiple shipments that are delivered together.
Must be Delivered by Hand	Materials must be moved "by hand" to the booth due to facility situations beyond Viper Tradeshow Services' control (i.e., elevators, rooms forklifts cannot be used, etc.)
Small Package Carriers (SPC)	The use of small package carriers such as FedEx, UPS, DHL, etc. do not provide BOL and deliver large quantities on the dock requiring additional time to sort and identify.

Overtime or Off Target 30% Surcharge

Shipments that qualify for overtime rates are any shipments unloaded or received at the warehouse/show site before 8 AM or after 4:30 PM on weekdays, anytime Saturday, Sunday or holidays or after ONE WEEK OUT. Additionally, when warehouse freight must be moved into the exhibit site on overtime, due to scheduling conflict beyond the control of Viper Tradeshow Services, or show move in or move out times are after 4:30 PM on weekdays, on Saturday, Sunday, or Holidays overtime charges will apply.

Material Handling / Special Handling Definitions

Material Handling: Movement of goods. This includes receipt of your freight, delivery to the booth, storage and return of empty crates/boxes, and reloading.

CWT: 'Hundred weight'- a unit of measurement for weight, equal to 100 pounds.

Storage Terms: Exhibitors may hand deliver their own materials to the exhibit facility through the front doors. The use or rental of dollies, flat trucks or other mechanical equipment is not permitted. Viper Tradeshow Services must control access to the loading docks in order to provide a safe and orderly move-in/out. Material handling fees must be paid in full for any materials that require empty storage.

Multiple Shipments: Any shipments received from multiple locations or received at different times/dates are considered separate and will be assessed multiple Material Handling minimums. No cumulative weights will be allowed on minimums or split shipments.

Ground Loading/Unloading: Vehicles that are not dock height preventing the use of loading docks, such as U-hauls, flat bed double drop trailers, company vehicles with trailers that are not dock level, etc.

Constricted Space Loading/Unloading: Trailer loaded "high and tight" shipments that are not easily accessible. Freight is loaded to full car trailer – top to bottom, side to side.

Designated Piece Loading/Unloading: Drivers that require the crew to bring multiple pieces of the freight to the rear of the trailer to the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded sequence to ensure all items fit.

Stacked Shipments: Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or "cubed out" shipments, loose items placed on top of crates and/or pallets constitute special handling.

Shipment Integrity: Shipment integrity involves shipments on a carrier that are intermingled or delivered in such a manner additional labor is needed to sort through and separate the various shipments on a truck for delivery.

Alternate Delivery Location: Alternative delivery location refers to shipments that are delivered by a carrier that requires us to deliver shipments to different levels in the same building, or to other buildings in the same facility.

Mixed Shipments: Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for this shipment but does require special handling.

"No Documentation": Shipments arrive from a small package carrier (including, not limited to, FedEx, UPS, DHL) without an individual Bill of Lading or shipments without a certified weight ticket which requires additional time, labor and equipment to process.

Difference Between Crated and Uncrated Shipments: Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped and/or unskidded without proper lifting bars and hooks.

EXHIBITOR APPOINTED CONTRACTORS (EAC) GUIDELINES

Please complete and return both EAC forms

Viper Tradeshow Services, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed Official Service Contractors to perform and provide necessary services and equipment.

Official Service Contractors are appointed to: ensure the orderly and efficient installation and removal of the overall exposition, assure the distribution of labor to all exhibitors according to need, provide sufficient labor to satisfy the requirements of the exhibitors, and for the exposition itself, see that proper type and limits of insurance are in force, and avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractors will provide all usual trade show services, including labor. Exceptions are: the exhibitor may provide supervision; exhibitor may appoint an exhibit installation contractor or display builder.

Exhibitors may employ the service of independent contractors to install and dismantle their display, providing the exhibitor and the installation and dismantling contractor comply with the following requirements:

1. Exhibitor must notify in writing to Viper Tradeshow Services the intention to utilize an independent contractor (EAC) no later than 14 days prior to the first move-in day, furnishing the name, address and telephone number of the firm.
2. Exhibitor shall provide evidence that the EAC has a proper certificate of insurance with a minimum of \$1,000,000 liability coverage, including property damage and Workers' Compensation naming Viper Tradeshow Services as additionally insured, to show managers and Viper Tradeshow Services at least 10 days before the show opening.
3. Exhibitor agrees that they are ultimately responsible for all services in connection with their exhibit, including freight, drayage, rentals and labor.
4. The EAC must have all business licenses, permits and Workers' Compensation insurance required by the state and city governments and the convention facility management prior to commencing work, and shall provide Show Management with evidence of compliance.
5. The EAC will provide Viper Tradeshow Services the number of on-site employees at the time of check-in and see that they have, and wear at all times necessary, identification badges as determined by Show Management.
6. The EAC shall be prepared to show evidence that it has valid authorization from the exhibitor for services. The EAC may not solicit business on the exhibit floor.
7. The EAC must confine its operations to the exhibit area of its clients. No service desk, storage areas or other work facilities will be located anywhere in the building. The show aisles and public spaces are not a part of the exhibitor's booth space.
8. The EAC shall provide, if requested, evidence to Viper Tradeshow Services that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The EAC must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.
9. The exposition floor, aisles, loading docks, service and storage areas will be under the control of the official service contractor, Viper Tradeshow Services. The exhibitor appointed contractor must coordinate all of its activities with Viper Tradeshow Services.
10. For services such as electrical, plumbing, telephone, cleaning and drayage, no contractor other than the official service contractor will be approved. This regulation is necessary because of licensing, insurance and work done on equipment and facilities owned by parties other than the exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.

I have read the Exhibitor Appointed Contractors section of this manual and understand the terms and conditions. I understand that all the contractors listed above must be approved by Viper Tradeshow Services. I understand it is my responsibility to see that each representative from any EAC for my company abides by the rules and regulations of the event. I also understand that any EAC listed above that is not approved by Viper Tradeshow Services will not be permitted on the floor.
